IMP01 – Quality Policy Statement

(ISO 9001:2015, Clause 5.2)

Advanced Constructions is committed to providing a product and service that meets the Client's expectations and requirements.

Advanced Constructions goal is to deliver quality projects safely, on time and defects free through proven construction techniques and quality workmanship.

The objectives of the Advanced Constructions Quality Policy are to:

- Focus on the client's needs and expectations.
- Achieve, produce and maintain outcomes than meet the client's needs.
- Provide flexible and innovative solutions to client's requirements.
- Ensure compliance with our moral, regulatory and legislative requirements under any applicable standards, codes of practice, regulations or acts.
- Provide confidence than the intended quality is achieved and maintained.
- Provide confidence in Advanced Constructions documentation and resources.
- Provide evidence to existing and potential Clients of Advanced Constructions capabilities.
- Achieve quality standards through an organisational culture, emphasising quality.
- Provide client service through flexibility and problem solving via our construction expertise, experience and commitment.
- Provide client service via our knowledge of the Building Code of Australia, National Constructions Code and Australian Standards.

Advanced Constructions expect a personal commitment to quality from all of it's employees, consultants, subcontractors and suppliers. This commitment will be reflected in Client satisfaction and the subsequent growth and success of the business. Advanced Constructions recognises that an organisation and the relationship that it has with it's external providers are interdependent and a mutually beneficial relationship enhances the ability of each to create value.

Advanced Constructions apply the principals of continuous improvement to all aspects of the business, including quality.

This policy is available to all interested parties, it is available on the company computer network, in all Project Management Plans and posted on all company noticeboards.
